## **CALL FOR TWO POST-DOCS APPLICATIONS (2 YEARS)**

Two positions as Post Doctor in the area of Innovation and Development (2 years) at KITeS - Knowledge, Internationalization and Technology Studies in Milan (Italy) ([www.kites.unibocconi.it](http://www.kites.unibocconi.it)), financed by MEDAlics – Research Centre for Mediterranean Relations ([www.medalics.org](http://www.medalics.org)).

Preferential starting period *from* 1<sup>st</sup> April to 1<sup>st</sup> October 2012, after agreement.

Gross Salary: 22.817 € per annum plus 2.500 € per annum for travel and conferences participation.

Closing date: There are no closing dates but candidates are encouraged to submit their applications as soon as possible.

Successful applicants for the positions shall have conducted and published high quality research within the field of Innovation and Development in a broad sense.

This includes the following subfields:

- Local innovation;
- Demand and innovation;
- Entrepreneurship and industrial dynamics.

They will have as reference Prof. Franco Malerba at KITeS within the KITeS group at Bocconi University in Milan (Italy).

Core competence in the field of Innovation and Development is required.

Preference will be given to applicants with competence and interest in more than one of above-mentioned sub-fields.

Applicants are requested to have a doctorate in economics, management or related fields.

Although the Post-Docs may focus on any emerging countries, at least one of the output must concern innovation in one the Mediterranean developing countries.
